## To be Honest with You: A Journey of Certainty and Skepticism Through the Gospel of Luke (Paperback)

By Vincent Woltjer, Timothy Vandenberg

Authentic Media, United States, 2006. Paperback. Book Condition: New. 208 x 137 mm. Language: English . Brand New Book. The postmodern world looms large in the thoughts and reflections of those too old to be without doubt but too young to find comfort in answers found in today's world. What started out as journal entries, the devotions of To Be Honest With You offers a young man's insightful perspectives gained from personal experiences. The devotions have a fresh, voice and way of looking at life that sideswipes at first but quickly draws the reader in. Themes of doubt, forgiveness, gratitude, sin, and hope emerge, and the assurance of God's sovereignty and depth of His grace become evident despite lack of certainty in one's belief. To Be Honest With You will both entertain and bless people. The reader can choose to treat each devotional as a separate experience or can instead read broader passages as a more cohesive reflection upon the Christian life.
