Random House USA Inc, United States, 2013. Paperback. Book Condition: New. 172 x 106 mm. Language: English . Brand New Book. In this alluring novel of romantic suspense from New York Times bestselling author Kay Hooper, two lost souls face their demons--and forge a connection as profound as the ocean is deep. When Robin Stuart is pulled, drenched and shivering, from the stormy seas, she can only cling desperately to the arms that surround her. But she has reason to suspect that she's traded one terror for another. Robin has been too close to danger not to recognize it again: in the eyes of the rugged, fearless man who saved her life. Michael Siran is an expert at playing dangerous games. But from the moment the terrified beauty with the piercing gaze sets foot on his ship, he's touched by a true sense of purpose. Throwing caution to the wind, Robin insists on remaining by his side--even though she is asking the world of a man who trusts no one. As they share a passion born in turmoil and fueled by peril, Michael is determined to give her everything--if he can only make her understand that even heroes are human, and that her courage runs as deep as his love.
