## Isoqol Dictionary of Quality of Life and Health Outcomes Measurement (Paperback)

By Nancy E Mayo Phd

Isoqol, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Quality of Life and Health Outcomes and other terms referring to the physical, mental and emotional effects experienced by people as they encounter health challenges are in wide use and misuse in the health care and health research community. Many of these terms are used interchangeably without recognizing that they have completely different meanings and, thus, require different measurement approaches and different types of interventions if they are to be optimized. The notion of creating a dictionary of these terms arose so that novices and experts, researchers and clinicians, can commonly address these health outcome challenges. The correct term for this collection of definitions is a vocabulary for a vertical audience as the definitions reflect the usage in QOL and health outcomes measurement rather than all usages and the definitions were written to have meaning for the novice while still being useful for the expert As a starting point for the vocabulary, terms were chosen based on the frequency of use in journal articles focussing on quality of life research. The terms fall broadly into 8...
