He served 16 years of a 25 year sentence before being pardoned. While in prison he studied law and after his release managed to pass the Bar exam and took up the occupation of attorney. His first victim was a black man and he went on to kill many more. Others say he was a cold-blooded murderer who killed more for personal reasons and minor disagreements than any other cause. He supposedly shot and killed a man for simply snoring too loud. He always had a reason to justify his killing. He once said, "I never killed a man who didn't need killin'!"
