Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Great Ghost Stories It is the same everywhere. The men who do not take the trouble to conceal from you their opinion that you are an incompetent ass, and the women who blacken your character and misunderstand your wife s amusements, will work themselves to the bone in your behalf if you fall sick or into serious trouble. Heatherlegh, the Doctor, kept, in addition to his regular practice, a hospital on his private account - an arrangement of loose-boxes for Incurables, his friends called it - but it was really a sort of fitting-up shed for craft that had been damaged by stress of weather. The weather in India is often sultry, and since the tale of bricks is a fixed quantity, and the only liberty allowed is permission to work overtime and get no thanks, men occasionally break down and become as mixed as the metaphors in this sentence. Heatherlegh is the nicest doctor that ever was, and his invariable prescription to all his patients is lie low, go slow, and keep cool. He says that more men are killed by overwork than the importance of this world justifies. He maintains that overwork slew Pansay who died under his hands about three years ago. He has, of course, the right to speak authoritatively, and he laughs at my theory that there was a crack in Pansay s head and a little bit of the Dark World came through and pressed him to death. Pansay went off the handle, says Heatherlegh, after the stimulus of long leave at Home. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more...
