Tate Publishing Enterprises, United States, 2015. Paperback. Book Condition: New. 178 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.I am a native Baltimorean with a fabulous flare and zest for life. I have a heart for God's people, which has been displayed through my WTB Prayer Ministry. I love to help people who are in distress. My life has not been a bed of ease. I have been challenged with unsuspected health difficulties. My mountain-moving faith in God has moved me to overcome my health problems, which could have taken my very life. As a result, I specialize in beautification from the inside out. I started my journey into entrepreneurship at a very young age. While I was only a child, somehow in my heart, I knew there was a higher power of artistry within my own being waiting to come forth. With that said, my work life is a demonstration of my enthusiasm, determination, education, flexibility, and openness to consistently learning new skills. As I entered the journey to become an entrepreneur, I have been employed with the Maryland State Government for over thirty years, all while continuously pursuing my dreams and goals as a spiritual educator, makeup artist, jewelry consultant, fashion style specialist, model, and author. While engaging in a variety of entrepreneurial endeavors, I earned many certifications along the way.
