

Drugs: A Novel

Filesize: 5.44 MB

Reviews

Very useful to all category of men and women. I actually have study and i also am certain that i am going to going to read through again once more down the road. Its been written in an exceptionally simple way and is particularly only soon after i finished reading this publication by which basically altered me, modify the way in my opinion.

Seven Stories Press, 2012. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: "This guy Helton could be the next Bukowski." -Terry Zwigoff, director of Crumb and Ghost World "J. R. Helton really speaks to me-starkly honest, darkly funny, acutely observant, and captures the tragic absurdity of human life. . . . [H]e's right up there with the best of them." -Robert Crumb "Helton . . . writes with passion, clarity, and fairness." -Harvey Pekar, author of American Splendor "Just when you think there's nothing to new to say about drugs, Drugs marches out whole new ways to fuck up your brain, your life, and basically anyone insane or unlucky enough to cross your path. This is a truly riveting, mind-altering read, not to be missed." -Jerry Stahl, author of Permanent Midnight "Appearances can be deceiving-JR Helton's wonderful book is not so much about "Drugs" as it is about growing up in America as viewed through the prism of our national past-time. Funny and poignant, Helton has delivered a book that would make Mark Twain proud-it's hilarious, true and subversive-a perfect piece of modern American writing."-Tony O'Neill author of Down and Out on Murder Mile and Sick City.
