

Mexico the People Lands, Peoples, Cultures

By Bobbie Kalman

Crabtree Publishing Company. Paperback. Book Condition: New. Paperback. 32 pages. Dimensions: 10.8in. x 8.4in. x 0.2in. Four new countries and nine updated editions have been added to Bobbie Kalman's popular Lands, Peoples, and Cultures series. These powerful and intimate portraits of countries use up-to-date information and full-color photography. Presented in a mini series format, three books per country ensures thorough coverage of all the important aspects. It also allows more students to work on different projects at the same time. Covering more than basic history and geography, students will be fascinated to learn about: -- the land... geography, agriculture, transportation, history, industry, and glorious wonders-- the people... unique customs, customs we share, problems faced by minority groups and women-- the culture... modern festivals, ancient processions, food, games, and more. Celebrate Mexico's heroes past and present and explore the values and the traditions of Mexicans at home, school, and work. Students will also see how life differs in urban and rural settings. Topics include: -- an ancient heritage-- the many faces of Mexico-- population explosion-- clothes and customs-- family life and Mexicans at work-- village, farm and city life-- language, education, and religion. This item ships from...

Reviews

A must buy book if you need to add benefit. It can be really interesting through looking at period of time. It's been designed in a remarkably simple way and it is only after I finished reading this publication by which in fact altered me, modify the way I believe.

-- Ms. Julie Huels

Without doubt, this is actually the greatest work by any writer. It is actually written in simple terms instead of confusing. I found out this ebook from my I and dad recommended this pdf to understand.

-- Kristy Dicki
