Thorough guideline! Its this type of good read. It is really simplistic but shocks from the 50 percent from the publication. It is extremely difficult to leave it before concluding, once you begin to read the book.

This part corresponds nearly to the coarse-print portion of the Corresponding-Style part of the Author s Hand-Book of Standard Phonography, a complete text-book of the entire System. 2. The Correspondent s List comprising an alphabetical list of Word-Signs, Contractions, Phrase-Signs, Prefixes, and Affixes of the Corresponding Style. 3. Reading Exercises illustrating and applying the principles of each section of the Synopsis; concluded with several pages of connected reading matter, with an interlinear translation - which is a great advantage to the student.
