Pan MacMillan, United Kingdom, 2006. Hardback. Book Condition: New. 254 x 250 mm. Language: N/A. Brand New Book. Kingfisher Voyages take the reader (the voyager) on a fantastic, interactive journey of discovery. Using acetates, gatefolds and die-cut pages, in-depth information is presented in a new, exciting and irresistible way. Meet your guides, two real-life shark experts (Valerie and Ron Taylor), who provide their own, unique eyewitness accounts of what it is like to explore the world's underwater environments. Dive through the layers of the sea, from the sunlit zone, through the twilight zone, until finally reaching the abyss. Visit the seabed to find out more about the plants, animals and ghostly shipwrecks that can be found there. Along the way, peer through die-cut portholes inside the Titanic, lift the acetate to reveal the inside of a submarine and use the divider tabs to move easily from one chapter to the next. The journey ends with the as yet unexplored regions of the ocean.
