Createspace, United States, 2015. Paperback. Book Condition: New. 254 x 203 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.About This Book Dan Fuller s concept, the one all of his paintings are based on, is truly unique. Therefore, it follows that each of his works are so different from anything that came before; they grab one s imagination. Inside of this book you will find that they are also beautifully painted, intriguing and they run the gamut of being entertaining to having great depth. They are also beautifully reproduced in full color so one can get lost in them for hours. He includes topics, such as his concept, his artist s statement, the paths he followed, and about Giclees, pros and cons. In addition, it includes tales of his traveling years; related stories about each of his paintings and stories about his career including the excitement his works received during the first time they were displayed in public. The text in this book virtually turned into a visual-verbal self portrait of his life before adulthood, and later as a professional fine artist. And it includes the traditional ups and downs that Dan, as well as, other artists have to go through; especially, when their works have been too different for acceptance by the powers that be. As you will discover within these pages; the first Treehouse was the step-child of a watercolor experiment and based on his sense of humor; not the result of a brilliant idea. Immediately after it was done, a series of events occurred that opened doors to other ideas which he interpreted through pen and ink studies. Then he entered those into a Professional Picture Framers Show in New Orleans. There his drawings received numerous positive comments from the attending art dealers;...
