If we don't slow down to maneuver the bumps, we might find ourselves a bit battered and bruised. This book, gives us a look at some of those speed bumps and how love, patience and a good dose of humor help us maneuver life's complications. In this book, Donna Cavanagh takes us down life's path where middle age, teenagers, the empty nest and suburban existence can sometimes result in a rough ride. As you read through these essays, you will not only laugh at her experiences but you might see yourself in the same driver...
