Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.In the near future, when the world s population has been decimated by disease, the fortunate few live inside the Boundary, while the unlucky ones are left to die on the Outside. MaryAnn is one of the privileged. It doesn t matter that her friends can sometimes be cruel or that the boy she likes just threw up on her shoes, it s all about being noticed at the right parties. But it takes a single event to rip her life apart. Struggling with physical and psychological scars, MaryAnn must face up to the truth about the foundations of the Neighbourhood and the legacy of her family. Once she learns the truth she can never go back, but can she really put her faith in the Union? Blinded by the Light is about death and coming to terms with loss, the abuse of power, discrimination and the fear of the unknown. It is the first book in The Union Trilogy. Told from the point of view of a girl from a privileged background, it follows the course of MaryAnn s awakening as she learns the truth about her life and the lies she has been told by her family and by her government, leading her to question everything she believes in. But whilst things may seem black or white to some, MaryAnn learns that...
