Day Owl Press Corporation, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.About Microchip: Microchip is an epic saga set in the very near future. It s a timely, up to date chronicle filled with action, adventure, intrigue, romance, science, politics and peril. In the not too distant future, the world s economy has completely collapsed. The new one world government has plans to usher in a new era of peace and economic security with one slight hitch; everyone is now required to take a bio-chip inserted into the lower right quadrant of their palm. This replaces the old outdated banking and currency systems throughout the globe. Everyone is now required to take the microchip or suffer the consequences. Tens of thousands flee to find safe haven where they can live in harmony without being micro-chipped. Soon order is restored from chaos and all is well in the world. Or is it? Is this data transmitter more than it seems? Is there more than just a financial agenda behind the frightening technology that lurks deep within the bio-chip? Microchip takes a cross section out of the lives of several different people from diverse walks of life and follows each one through their thrilling experiences; all the way to the astonishing conclusion. Synopsis Prologue Global elitist Winthrop Shaw is determined to accelerate the New World Order s planned timeline to inoculate all the citizens of the planet. He calls for a meeting with the highest ranking members of the global elite. There he demonstrates the capability of the new improved microchip by using his trusted assistant Nelson Thurn as a guinea pig. The annual Global Union Assembly holds a surprise for its assembled members. Toni Vickery: - 5th...
