Reviews

This is an awesome publication which i have actually read. This is certainly for all who statte that there was not a well worth reading through. Its been designed in an extremely straightforward way and it is merely after i finished reading this ebook in which actually changed me, affect the way in my opinion.

THE IRISH FAMINE

[DOWNLOAD](#)

Thames & Hudson Ltd. Paperback. Book Condition: new. BRAND NEW, The Irish Famine, Peter Gray, This pocket-sized text from the "New Horizons" series examines the Irish famine of 1845-1850, during which over one million of the Irish population died in a crop failure unprecedented in the history of modern Europe. Dependency on the potato as the main source of food brought widespread starvation and disease throughout Ireland and was followed by a mass emigration to Britain, North America, Canada and Australia. This book is published to commemorate the 150th anniversary of the famine.
