The very best publication i at any time study. It really is basic but shocks inside the fifty percent of the ebook. It is extremely difficult to leave it before concluding, once you begin to read the book.

Editorial MAD, 2012. Book Condition: New. The book has been divided into 4 parts: The first part (Language Practice) goes through various types of language exercises which had come out in the different Autonomous Regions prior to 2008 and gives you advice on how to prepare for that particular type of exercise. It also suggests possible materials for (further) practice: Dictation and Phonetic Transcription, especially for those candidates who have had no training in this aspect, and advice on how to give oral presentations. Finally, apart from suggesting possible materials for specific or further practice, we have included various exercises on cognates, verbal idioms or phrasal verbs, idioms and proverbs, homonyms both homophones and homographs, hypernyms and hyponyms, synonyms and antonyms. All of this will give you practice in this type of exercise and raise your awareness of the nuances of the language so that you increase your vocabulary and use of idiomatic expressions, and can translate better and more accurately. The second part focuses on Text Analysis , explaining what text analysis is about; the various ways of analysing a text; literary and cohesive devices; ways of using an authentic text in class, and communicative functions in a text. It expands on our Análisis de Textos: Preguntas, Textos y Soluciones, covering aspects not dealt with in that book. It also gives you tips on how to write summaries of both oral and written texts, and on how to structure your exam essay. This latter part has been expanded on a word-document available both at the MAD corresponding website and at the Sls Hallam website. Here you will also find a link to a blog which aims to clarify certain issues relating both to the Practical exam and the Topics. The third part looks over some translation strategies which may...
