Should Iceland join the European Union?

By Arina T

GRIN Verlag Mrz 2012, 2012. sonst. Bücher. Book Condition: Neu. 210x148x1 mm. This item is printed on demand - Print on Demand Neuware - Seminar paper from the year 2011 in the subject Economics - Macro-economics, general, printed single-sided, grade: 1,1, Berlin School of Economics and Law, language: English, abstract: To join, or not to join : That is the question! Within this paper I will try to find out if Iceland would, indeed, be better off staying out of the European Union , as Iceland s Minister of Finance Steingrímur J. Sigfússon stated (WSJ Europe 05.05.2011), or joining in, as Iceland s Prime Minister Johanna Sigurdardottir favours. I will first have a look at the current - economic - situation of the island nation (in context with its latest developments), leaving the detailed examination of the accession controversy for the main part. There, I will analyse the potential advantages and disadvantages that would arise for Iceland with the EU-membership. 16 pp. Englisch.
