Just Like a Woman

By Dianne Hales

Bantam. Paperback. Book Condition: New. Paperback. 416 pages. Dimensions: 9.2in. x 6.2in. x 1.1in. In recent years researchers in many scientific fields have actively focused on what being female really means. Their startling conclusion: Almost every assumption made about women--physical, medical, historical, psychological--turns out to be untested, unproven, or untrue. Stereotypes about women are as old as time--and as current as still-too-prevalent beliefs based on male models. Acclaimed health writer Dianne Hales brings together the cutting-edge research in anthropology, physiology, psychology, neuroscience, endocrinology, and medicine in a book that reveals the complex interconnections between all aspects of a woman's life from infancy to old age. Gender science is now clearly demonstrating that women are not the second sex but a separate sex, unique in body, mind, and spirit. *Just Like a Woman* explains what it means to live in a woman's body, think with a woman's brain, drink in the world with a woman's senses, and react with a woman's sensibility to the stresses and elations of her multiple roles. Refreshingly free of ideology, this meticulously documented book offers a stunningly liberating message that expands our concept of human potential--and will forever change the way every woman views herself. This item...

Reviews

An extremely wonderful book with perfect and lucid information. This can be for all those who state there had not been a really worth reading through. It's been written in an exceptionally easy way and it is only after I finished reading this ebook in which actually modified me, alter the way I really believe.

-- Kaelyn Reichel

Merely no phrases to describe. It really is really intriguing through reading time. I am happy to tell you that this is basically the greatest book I have gone through in my own lifestyle and might be the greatest book for ever.

-- Kattie Wunsch
