Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from A Review of a Course of Lectures on Evolution: Delivered Before the San Jose Universtiy Extension Club The thoughtful and scholarly world will be slow to part company with the great Agassiz for the long-explored theory now revamped by a new style of delivery. He found nothing in environment that could mature the germ of a fish, or bird, or quadruped, into any other than its own type. Or that could stop it short of its own type and leave it life. He said that the germs of a man at different stages could not be distinguished from the other germs either by the analysis of chemistry or the power of the microscope. Yet each was shut up to its own type. This can be explained only by the presence of an invisible spiritual Presence that determines the type. When science has answered this ground of Agassiz by incontrovertible facts, then it will be time enough to accept the fiat assumptions of the evolutionists. One cannot help recalling the ideas of James Martilean, in which he holds that it is pitiable to see these evolutionists begging for the concession of the smallest granule of power with an infinitesimal tendency to increment, and from this they will produce the universe without even smuggling in anything large enough to raise a question (I quote from memory.) They equate it simultaneously, backward to zero and forward to the sum of things. Nevertheless, it is a mean thing for a philosopher to crib causations with hairs breadths, put it out at compound interest though all the time, then deny the debt. The power that eventuated the universe, whether drawn...
