

Digital Divide and e-Government

By Arief Rahman

LAP Lambert Academic Publishing Nov 2014, 2014. Taschenbuch.
 Book Condition: Neu. 220x150x17 mm. This item is printed on demand - Print on Demand Neuware - Citizens are substantial stakeholders in every e-government system, thus their willingness to use and ability to access the system are critical. Unequal access and information and communication technology usage, which is known as digital divide, however has been identified as one of the major obstacles to the implementation of e-government system. As digital divide inhibits citizens' acceptance to e-government, it should be overcome despite the lack of deep theoretical understanding on this issue. This book explores and in the same time provides evidence, the impact of digital divide on e-government systems success. The book is based on a research in Indonesia. 276 pp. Englisch.

Reviews

It is an incredible book which I actually have ever gone through. It had been written extremely completely and helpful. You can expect to like the way the blogger publish this book.

-- Prof. Jerad Lesch

This book will never be easy to start on looking at but quite entertaining to read. It is actually packed with wisdom and knowledge. It is extremely difficult to leave it before concluding, once you begin to read the book.
