

Globalisation of Business: Theories and Strategies for Tomorrows Managers (Hb)

By -

Adonis & Abbey Publishers. Hardcover. Book Condition: New. Hardcover. 348 pages. Dimensions: 9.0in. x 6.0in. x 0.9in. Globalization, an inevitable phenomenon in human history, has been bringing the world closer through exchange of goods and services, advancements in information communication technologies (ICTs), global diffusion of technologies, and cultural awareness. Recent developments and trends within the global business arena present managers with challenging situations. Competing in the twenty-first century and beyond requires firms to invest in the increasingly refined managerial skills needed to perform effectively in a multicultural business environment. Global companies are faced with varied and dynamic environments in which they must accurately assess the political, legal, technological, ethical, and cultural factors that shape their strategies and operations. The success of a company's global operation often depends significantly on the managers cultural skills, as well as the ability to carry out the company's strategy within the context of the host country's business practices. While globalization is a vehicle for, and a consequence of human progress, it is also a confused process that requires change. The change process presents the manager with challenging strategic options. Globalization of Business: Theories and Strategies for Tomorrows Managers addresses the above challenges. It offers managers and...
