My SIMPLE Journal may be used in conjunction with one of the books in the SIMPLE series by Steve Young. But it may also be used independently by studying any Bible book of the reader's choosing. The SIMPLE journaling method outlined within trains the reader to look closely at the biblical text and milk it of its meaning. The reader will not only ask What? but So what? -- How does this passage affect me? Rather than listening passively to what others are saying about the text, the reader will discover his or her own ideas. So enjoy, and let the inward journey begin!.
