## Quantum Tango: A Soul Searcher's Guide to the Galaxy (Paperback)

By MS Camille Cusumano, Camille Cusumano

Createspace, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Quantum Tango, a Soul Searcher's Guide to the Galaxy is a bit of tango-istic magical realism. You don't need to know a thing about tango to enjoy the journey around the galaxy and the heart and the characters, especially Drs. Ocaramia Nureyev, specialized therapists in treating TAD (Tango Anxiety Disorder). In this Zen koan of a novella, Camille Cusumano explores the ineffable, the Tango Moment. Cusumano uses her words and phrases with the flamboyant precision of the accomplished tanguera she is, and just as the quest for the sublime Tango Moment keeps us returning again and again to the dance floor, you will want to read this enchanting book again and again. -Jamie Rose, actor, acting coach, author of Shut Up and Dance! The Joy of Letting Go of the Lead.
