Modelling Scale Figures

By Mark Bannerman

Osprey Publishing. Paperback. Book Condition: new. BRAND NEW, Modelling Scale Figures, Mark Bannerman, Adding a figure to a kit or a vignette can really bring it to life - yet building and painting figures continues to be a source of frustration to many modelers, with the results all too disappointing. However, help is at hand. The aim of this book is to equip the average modeller with techniques to successfully complete a figure from start to finish, and provides clear and easy to follow instructions on how to select, prepare, assemble, modify and paint realistic figures. Aimed particularly at the beginner and intermediate figure modelers, both those starting out in the hobby and those returning to it, it begins with a round-up of the range of figures available, a discussion of scale, and the tools and materials you need to get going. It then moves to exposing general construction and painting techniques, in clear, easy to master, step-by-step tutorials that will increase confidence and develop better technique. Then, using the four most popular historical periods as a framework (Medieval, Napoleonic, the American Civil War, and the modern era), it covers a wide range of individual techniques, such as showing how...
