Its central doctrine is in the strictest sense a pure myth, and there could be no more accurate or remarkable example of one. Around this, cluster derivative and incidental stories, also strictly mythical, --such as the miraculous birth, the miraculous acts, and the bodily resurrection and ascension of Jesus, --all accepted in Protes-tanism. In Roman Catholicism there are an infinite number more, from that of the immaculate conception of the Virgin to the apparition of the Madonna of Lourdes. The day of miracle has never ceased for the Catholic Church. The central doctrine of orthodox Christianity, as I have called it, is that of the deity of Jesus. I have heretofore examined it, at length, before you, and shall now refer only passingly to its origin and development. This great myth is an attempt of the yearning heart of humanity to assure itself of the goodness of God and to bring Him near to its imagination. The truth which it symbolizes is that of the community of nature in God and man, His benevolence toward men, His constant pres- The Strict and Normal Humanity of Jesus. Published by the A. U. A.
