Amazon Publishing, United States, 2014. Paperback. Book Condition: New. 203 x 137 mm. Language: English . Brand New Book. Girl gone wild College is supposed to be a time of discovery, but Danielle Vaughn never imagined it would be like this: heightened senses, supernatural powers, and a sudden craving for human blood. Dani is a demi-vamp, the daughter of a human psychic and a vampire noble, a living secret kept hidden for twenty-one years. As Dani's heritage manifests itself, her thirst for blood is matched only by her hunger for Chase Diedrick. But as the son of the Vampire Council's most powerful ruling family, Chase is already promised to another. Dani saw Council politics destroy her mother's life; she won't let the same thing happen to her. Besides, there's no shortage of men who are eager to satisfy her every need, including the alluring vampire Kayden. Unfortunately, Dani also has no shortage of enemies. Her heightened powers of telepathy and telekinesis attract the attention of a rogue vamp who preys on gifted vampires, absorbing their skills along with their lifeblood. Now, Dani must seek the Council's help to quickly master her new vampire life or risk losing it.
