Pass the Numerical Reasoning Test with Ease (Paperback)

By Vali Nasser

Createspace, United States, 2013. Paperback. Book Condition: New. 226 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****. This book is aimed at helping you pass the intermediate and advanced numerical reasoning tests that many companies now require. It is suitable for new or experienced graduates wanting to progress in their professional careers. If you feel that you need to improve your speed in Mental Arithmetic and re-visit some areas in general arithmetic as well as data interpretation then this book will prove very useful to you. It will be particularly helpful if you do not feel very confident in maths, or did your maths a long time ago. This book starts from basic number work using speed methods and progresses to percentages, ratios, proportions, number sequences and multiple choice questions that are usually found in the data interpretation type questions. There are also examples in solving word problems needing knowledge of basic algebra. It includes 5 practice tests with answers and detailed explanations. Finally, some enhancements have been made in February, 2014. The author's initial book Speed Mathematics Using the Vedic System has a significant following and has been translated into Japanese and Chinese...
