When doctors told Richard Henry Dana that an ocean voyage might halt his impending blindness, the nineteen-year-old Harvard undergraduate dropped out of school and became an ordinary deckhand on the brig Pilgrim. The perilous journey from Boston, begun in 1834, took the ailing yet determined youth past Cape Horn and around the Americas, concluding in the Mexican territory California. This expedition inspired Two Years before the Mast, a first-hand account of the life of a common sailor and a work that combines history, philosophy, and personal experience. Published in 1840, the book convincingly re-creates life at seathe beauty and adventure but also the cold, danger, and backbreaking labor. Danas depiction of the inhuman conditions suffered by seamen at the hands of capricious, brutal, and even mad captains and ship owners...
