The rainy season had now set in in good earnest all through Nebraska, and while the natives have typhoid fever and malaria to a more or less extent, yet most of them live through it, but people from the dry mountin regions that have been used to pure air and water all their lives fare worse from these fevers ten times over than the natives, and Dillbery Ike fell a victim right in the start. One evening soon after we left GrafiS* island I noticed his face was flushed very red, and he complained of a dull headache, but as he had the headache a good deal ever since the railroad police had scalped him at Cheyenne in mistake for a striker, I didn t think so much of his headache. But when I come to look at his tongue and feel his pulse I found every indication of high fever. In a few hours he was out of his mind and talked of shady mountain sides, babbling brooks and clear mountain springs of water, and he talked of his hosses and cattle, his cow ranch and alfalfa meadows, but most of all he talked of Sarer. Now Dillbery had only one romance in his life that we knew of, and that happened in this way: Several decades previous to our story the few families living in the vicinity of Dillbery s. ranch in Utah had got together and built...
