*Complete guideline for publication fans. I am quite late in start reading this one, but better then never. It is extremely difficult to leave it before concluding, once you begin to read the book.

Tate Publishing. Hardback. Book Condition: new. BRAND NEW, The Little Factory of Illustration, Florie Saint-Val, Sarah Ardizzone, Florie Saint-Val, This beautiful book invites readers to join the Artful Sketcher on an exclusive tour of one of the most creative factories they'll ever know: the Little Factory of Potential Illustration. The factory is full of eccentric artists who just love making pictures, not to mention some oddball animals and astonishing machines. From the get-go readers can doodle, experiment with different techniques or simply draw alongside LIFIPO's resident team of artists. There's a games pocket at the back with some weird and wonderful dominos, and heaps of activities throughout exploring among other things collage, patternmaking, sculpture and composition. Children will be delighted to find that at the end of their tour they are given their very own office and their first solo exhibition! Exploring art techniques, geometry and game-playing simultaneously, this beautiful and humorous book is perfect for budding artists.
