

Los cristianos y la caída de Roma

By Gibbon, Edward

Editorial Taurus, 2013. soft. Book Condition: New. A lo largo de la historia, algunos libros han cambiado el mundo. Han transformado la manera en que nos vemos a nosotros mismos y a los demás. Han inspirado el debate, la discordia, la guerra y la revolución. Han iluminado, indignado, provocado y consolado. Han enriquecido vidas, y también las han destruido. Taurus publica las obras de los grandes pensadores, pioneros, radicales y visionarios cuyas ideas sacudieron la civilización y nos impulsaron a ser quienes somos. La descripción subversiva e iconoclasta que Gibbon realizó del ascenso del cristianismo suscitó la más encendida indignación cuando vio la luz a finales del siglo XVIII y continúa siendo una de las más elocuentes e irrefutables críticas de la naturaleza engañosa de la fe.
