An extraordinary international thriller by the former deputy assistant secretary of state and author of the national bestseller *The Golden Hour*. In the life of every country, at a moment of extreme national disruption, there is a brief period of breakdown, when everything is uncertain, events can turn on a dime. That is the moment to act, to shape events how you want them to go. That is *Minute Zero*. Fresh off the harrowing events of *The Golden Hour* , State Department crisis manager Judd Ryker is suddenly thrown into a quickly developing emergency in Zimbabwe, where a longtime strongman is being challenged for the presidency. Rumors are flying furiously: armed gangs, military crackdowns, shady outside money pouring in, and, most disturbing for the United States, reports of highly enriched uranium leaking into the market. And that s all before Ryker even lands in the country. It gets much worse after that. If he can t get control, shape his *Minute Zero* , a lot of people are going to die not least of all himself.
