## SS PEIPER

[DOWNLOAD PDF](#)

Pen & Sword Books Ltd. Paperback. Book Condition: new. BRAND NEW, SS Peiper, Charles Whiting, On the night of 14 July, 1976 - Bastille Day - an elderly German was brutally murdered in a little French village where he had taken refuge from the evil shadow which had dogged him for the past thirty-two years. His killers were never brought to justice; indeed, no real attempt was ever made to track them down, the affair being politically embarrassing to both the French and the German governments. The murdered man was Jochen Peiper, once the dashing leader of one of the most renowned units in the German Army. The shadow which hung over him was his alleged complicity in the murder of over seventy unarmed American soldiers during the Ardennes offensive in the winter of 1944/45. It is certain that Peiper was not at the fateful crossroads near Malmedy at the time the men died, but that is not to say that they were not killed on his orders. Guilty or not, Peiper was tried and imprisoned after the war and on his release might have been said to have paid his debt for his supposed part in what had become known as the Malmedy Massacre. But there were those who thought otherwise. After exhaustive research, this classic work sees Charles Whiting tell the story of this enigmatic man, regarded by some as a brilliant and dashing leader of men, by others as a Nazi war criminal, with the vividness and punch which characterized Peiper's military career. All the facts may never be uncovered but all that are known are recorded here. What is certain is that Jochen Peiper remains one of the most controversial military figures to emerge from the maelstrom of the Second World War.
