Expand vocabulary and advance language skills to reach and then exceed grade level! Yes! This book aligns to the skills of the Common Core State Standards, Texas TEKS, and Virginia SOL! Key Features - 101 exercises focused on synonyms and antonyms - 10 complete sets of exercises organized into easy, moderate, and advanced - vocabulary, reading level, and difficulty increase from a Grade 2 level right through to a Grade 5 level and higher - each set includes a variety of tasks that allow students to develop and then apply new skills - specifically designed to increase vocabulary and language skills to exceed grade level expectations - includes a complete answer key - includes charts listing the Common Core, TEKS, and SOL skills covered Aligns to the Common Core Standards The Common Core Standards are a set of standards adopted by most American states. The standards describe what students are expected to be able to do. Student learning is based on these standards throughout the year, and students in most states are tested based on these standards at the end of the school year. This workbook develops many skills listed in the Common Core Standards for English Language Arts, including skills in the reading, writing, and language strands. A complete list of the specific skills covered is included in the back of the book. Matches the Texas Standards The Texas standards, or TEKS, include key skills that are specifically covered by this book. These include identifying and using antonyms and synonyms, understanding prefixes and suffixes, and using context to determine word meaning. In addition, the book will develop a range of reading, writing, and language skills covered by...
