Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Nature s Remedy for Hypothyroidism - Curing Thyroid Problems Safely and Effectively Without Hurting Your Pocket Feeling tired lately? Did you miss the energy and vitality you used to have when you were in your prime? Does your doctor dismiss your complaints about fatigue, insomnia, and other discomforts as something natural? Join the club! This book talks about the intricate and complex nature of the human body and how the thyroid gland affects it. This book will take you through a wonderful journey inside your own body so that you can understand what your body is telling you. When you understand what your body is telling you, you can often address the discomforts you re having in a more systematic and efficient manner. Hypothyroidism is one of the most commonly misdiagnosed diseases. Its common occurrence among older people gives it the perfect camouflage. Instead of treating the symptoms described by the patient, the doctor instead points out other people belonging to the same age group who have the same symptoms and state that it s normal just because of the increased incidence when older. This book goes into detail as to why this way of thinking is flawed and what you can do to check yourself for hypothyroidism. This book doesn t tell you to totally avoid your prescribed medications. It also doesn t tell you to buy a whole box of pharmaceutical drugs, either. This book takes a more balanced approach and takes ideas from both sides. The explanations offered are in-depth. After you read this book you ll be able to make smarter decisions, as you know more than just the surface details...
