Absolutely essential study book. It normally fails to price excessive. I realized this ebook from my dad and i encouraged this publication to find out.

The Play Press. Paperback. Book Condition: new. BRAND NEW, The Suicidal Airplane, Ben Anderson, This is NZ's first 'Graphic Play', presented as a series of full colour drawings and text, and designed to be imaginatively interpreted for the stage. It tells the story of an airplane, who, when it realises it shouldnt physically be able to fly, begins plummeting to its death. It is up to one of the passengers, to convince the airplane that there is a point in continuing to fly or else he, and hundreds more, will die when the plane crashes. It's as ideal for a skilled, professional ensemble as it is for a collective of young, intelligent, adventurous devisers hungry for an extremely unusual and exciting challenge. It will hold equal audience appeal for small children and cynical old adults.
