IMM Lifestyle Books, United States, 2016. Paperback. Book Condition: New. New, Updated. 210 x 148 mm. Language: English . Brand New Book. London is strewn with waterways, but the River Thames twisting through the capital can be seen from a radically different perspective in the futuristic Docklands area to the more sleepy suburbs of Putney, Chiswick and Barnes. Much of Camden s quaint charm would be lost without the Regent s Canal, and further out in the suburbs the Wandle, Lea and Brent rivers are well worth discovering. Walking London s Waterways is an exploration, in 21 carefully researched walks, of London s varied waterways in all their glory. Gilly Cameron-Cooper s engaging text is steeped in historical detail, and is accompanied by clear and detailed route maps and enchanting photographs.
