A Book for Women.and for Men Imagine within each of us, there is a deep, powerful source for living lives of love, creativity, and fulfillment. To imagine this foundation for life and the energy it produces is to imagine ourselves and our world filled with the influence of the archetypal feminine - her passionate creativity, love, and ageless knowing. Personally and culturally, this force - which lives at the heart of our lives - has been diminished and wounded until it seems to have retreated beyond the horizon, in a world filled with rationalism and an anxious search for the material good life. This is a powerfully moving book that goes beyond gender roles into the soul of the archetypal feminine, exploring how it has been damaged and traumatized, and finding out how this condition affects all of us. . .an intimate tone that makes the volume accessible and inspiring, even for those unfamiliar with Jungian psychology. - FOREWORD REVIEW, Spring 2015 In this compelling book, Jungian analysts Massimilla and Bud Harris explore the power of the Death Mother complex that drains our...
