It is the Spring of 1924 in New York City, where John Crackstone, a detective, specializes in missing person cases. On the surface a man of his time, John enjoys the good life, but can't quite afford it. However, he is not who he thinks he is. While solving the disappearance of a wealthy client, John uncovers clues that point to his own lost identity. Sometimes life is like a Monty Python episode; now, for something completely different. John discovers he has been on the wrong journey for almost two years. The three novels of the Crackstone Chronicles, *Extinction*, *Connections* and *Extraordinary Solution* carry the reader through time and space, exploring the question: why would extraterrestrials visit Earth, let alone conceal themselves here? The three parts to the Crackstone Chronicles, *Extinction*, *Connections*, and *Magical Solution* will provide an adventurous ride through time and space, ending up with answers to the question: are other civilizations here on Earth, and why are they here?
