

## Mean Streets - Life in the Apartheid Police (Book 2) the Mean Streets (Paperback)

By Jacobus Kotze

Createspace Independent Publishing Platform, United States, 2012. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.The Mean Streets Books are about the service years of the author in the South African Police Force - 1985-1991. The South African Police Force had almost nothing in common with a Sheriff s Department. The policemen were fighting as light mechanized infantry besides being policemen. We dealt with violent crime, counter-terrorism, counter-insurgency and full scale riots on a daily base. It is much more than a biography about policing the mean streets - the books explain how an honourable police force became an instrument of terror. It is a stark warning on what happens when unscrupulous politicians get control of a highly disciplined police force and there is no Bill of Human Rights to stop them from implementing the laws, no matter how unfair it may be. This, the second book in the series, is a brutally honest and unconventional account of the Author s time on the mean streets of South Africa dealing with violent crime, political uprising and counter terrorism.
